Levy of fees in the Hospitals and dispensaries in the Bangalore & Mysore cities

From

The Senior Surgeon

No. G 102 Dated 22.9.16 Received. 25.9.16

Diary No. 1059 Enclos. Spare Copies. Serial No. 3

BRIEF ABSTRACT OF LETTER.

Submits for orders copy of a letter from the Medical Officer in charge of the Victoria Hospl., Bangalore raising for orders certain questions relating to the levy of fees in hospitals and dispensaries in the cities of Bangalore & Mysore.

NOTES AND ORDERS.

The questions raised are the following:-

(i) To exempt in-patients treated in the general wards from payment of fees for the day on which they are discharged as in the case of patients treated in the Special Pay wards of the Victoria Hospital.

NOTES—First Sheet.

Serial
No.

The Senior Surgeon recommends the exemption in the case of patients discharged in the forenoon. So far as the levy of fees for treatment in the Hospital is concerned, it seems that the payment of fees should be made to depend not on the hour of discharge but on actual use of medicine on the day of discharge.
(ii) To charge a uniform rate of 8 annas a day from each in-patient – whether he is a Govt. servant or not – as it is ~~difficult~~ inconvenient to ~~decide~~ determine in each case the exact cost of the medicine supplied.

The Statement in paragraph 3 of the Senior Surgeon's letter that no difference in treatment between Govt. servants & ~~[illegible]~~ non-officials is ordered for Special wards, does not seem to be correct in as much as the scale of daily charges for treatment ~~[illegible]~~ in the Pay wards of the Victoria Hospl., Bangalore, is lower in the case of Govt. officials than that prescribed in the case of non-officials. Vide Schedule appended to G. O. No: $\frac{9594-5}{\text{Med } 53-08-8}$ of 2.4.09

& it may be applied to the General Wards also

There seems no necessity to import forenoon or afternoon into it. — Probably the Senr Surgeon's idea is if the patient ~~[illegible]~~ is not discharged in the forenoon the morning diet has to be found for him & has to be charged for. — ? It is not known whether a rule cannot be obtained that patients ~~the~~ may be discharged in the forenoon only. —

Proposal 2 may be accepted

Extraordinary Member — 30/9-16

3) If discharged in the forenoon, no fee need be levied and if at any other time of the day, one half of the daily rate may be levied.

4) As it is said that the calculation of the cost of medicines and appliances in each case is inconveniant, and as the rate of fee fixed for admission to the General Wards is not much, the Senior Surgeon's proposal to levy a fixed fee at the rate of 8 annas a day in the case of officials as in the case of non-officials, irrespective of the actual cost of medicines &c. supplied, may be sanctioned.

Office of Senior Surgeon, Mysore Govt.

Dated, Bangalore, Sep. 22 1916

From

Rajakarya Pravina
Rao Bahadur T. V. Arumugam Mudaliar, Esq., M. B., C. M.,
Senior Surgeon with the Government of
H. H. the Maharaja of Mysore, Bangalore.

Med 83-16 Sl: 3

To

The Secretary to the Government of
H. H. the Maharaja of Mysore,
General Deptt., Bangalore.

Sir,

In continuation of my letter No. 95, of even date forwarding a report on the working of the rules for the levy of fees in Hospitals and Dispensaries in the cities of Bangalore and Mysore, for the half year ended with 30th June 1916; I have the honor to forward herewith copy of letter No. 324, dated the 25th August 1916, from the Medical Officer in charge of the Victoria Hospital, Bangalore, raising certain questions, for the orders of Government.

2. The Medical Officer in charge of the Victoria Hospital states that, following the rules issued under Government order No. 52-3/Medl. 93-09-6, dated the 5th July 1910, fixing the rates for the Special Pay Wards of the Institution, no fees have been recovered from patients for the day of discharge. I think it may be laid down generally that no fee need be claimed from a patient (whether admitted to the General or Special ward) for the day of his discharge, if he is discharged in the fore-noon.

3. As regards the provision contained in rule 4 of the

rules

rules as revised by Government order No. 300-50/Medl. 83-15-8, dated the 12th July 1916,.directing the levy of the actual cost of medicines supplied or 8 annas a day, whichever may be less, from Government servants admitted to General wards, I beg to state that apart from the expediency or otherwise of such differentiation between official and non-officalpatients in the General wards (no such difference in treatment is ordered for Special wards)the calculation of the cost of medicines and appliances used in each case with accuracy is very cumbersome and inconvenient, if not difficult. I therefore suggest for the consideration of Government the desirability of as the fixed rate of fees 8 annas per diem for admission to the General Wards of the Medical institutions both for official and non-official In-patients, irrespective of the actual cost of Medicines &c., supplied.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Letter No. 324, dated the 25th August 1916, from the Medical Officer in charge, Victoria Hospital, Bangalore, to the Senior Surgeon with the Government of Mysore, Bangalore.

3/ With reference to your No. 819-29, dated 18-8-1916, I have the honor to state that the rules issued in Government Proceedings No. 3820-70.Medl. 231-13-4, dated, 26-11-1915, were given effect to in this Hospital from the 1st of January 1916, as ordered therein.

The ~~unmber~~ number of paying patients and the amount collected from them for 6 months ending with June 1916, are detailed in the accompanyin statement.

The amount collected has been duly credited to Government.

I wish to submit the following facts for your kind information:

U (a) In Government Proceedings No. 52-3.Medl. 93-09-6, dated 5-7-1916, the Special ward patients are exempted from being charged for the day of discharge, similar exemption had also been shown to the General ward patients. As the ~~rul~~ rules issued for the General Ward patients do not contain ~~an~~ an explicit order on the point it may ~~not~~ now be kindly appended to it.

A (b) In Government Proceedings No. 300-50. Medl. 83-15-8, dated, 12-7-1916, it is stated that Government servants whose monthly pay exceeds Rs.50/- will be charged the actual cost of the medicine supplied or Annas 8, a day whichever may be less.

I may point out that this rule throws some difficulty in the way of detirmining the value of each day's prescription of the patients concerned, and such calculations being furnished to each patient daily as he would naturally expect to know what he has to pay for.

Further an In-patient in addition to medicines supplied gets Hospital Diet also. The cost of the Medicine and the Diet will certainly go to make up his daily charge more than

than Annas 8 a day. It will not therefore be a hardship if a uniform rate of Annas 8 per day is charged for an In-patient, whether a Government servant or a non-official, and it would save an amount of extra work calculating the Medicines issued to the patients daily and such calculations being furnished to each patient to convince him of the value of Medicines supplied to him.
